

The Informed Dining program is a voluntary nutrition information program developed by the Province of British Columbia. For more information, please visit www.InformedDining.ca or call Dietitian Services at HealthLink BC by dialing 8-1-1.

The Province of British Columbia assumes no responsibility or liability arising from any errors or omissions in, or the use of or reliance upon, the nutrition information provided. Variations in nutrition information obtained through analysis may occur for reasons including differences in suppliers, ingredient substitutions, recipe revisions, and/or season of the year.

NUTRITION MENU

The information in this guide is effective as of March 6, 2019 and is based on our standard product formulations, variations may occur. The nutrition information provided has been supplied by the restaurant itself. Such nutrition information has not been independently researched, written or verified by the Government of British Columbia. The Government of British Columbia assumes no responsibility for liability arising from any errors or omission of information, or from the use of any information contained within the nutrition information supplied by the restaurant.

NUTRITION INFORMATION

Daily Calorie and Sodium Requirements

Healthy adults should aim for 1,500 to 2,300 milligrams of sodium per day. Children and seniors need less. Healthy adults should aim for 2,000 to 2,400 calories per day. Individual needs vary depending on age, activity level and gender. (Source: Health Canada)
